

A photograph of a boat stuck in a thick layer of ice. The boat is a small, light-colored vessel with a silver Honda outboard motor at the stern. The motor is partially submerged in the ice. The boat's hull is visible, showing some red lettering. The ice is a mix of white and grey, with some greenish water visible. A red buoy is visible in the background. The overall scene is a winter or late autumn setting.

God Jul och Gott nytt år!

Merry Christmas!
Happy new year!
